PLAINTFF REQUEST FOR SEALING A
CM ECF DOCUMENT

Wednesday, November 21, 2012 2:21 PM

The Honorable USDJ Alison J. Nathan
SDNY

500 Pearl Street
NYC, NY 10007

Dear Judge Nathan:

I accidentally put a redacted document on the CM/ECF system that could possibly be "broken" to allow people to see the name of the Confidential Informant (CI). I found that out by chance yesterday, and the CM/ECF people said they'd heard of such a method, too, but they could not temporarily seal it unless Your Honor ORDERed it so. I don't wish to give the number to Your Honor, since this would point people to the document, but I did tell the CM/ECF Help Desk, who said I should call you since a life is at stake. Your deputy said I should file it, and he'd get it to Your Honor if I took it down by hand today to the SDNY Pro Se Office, which I am doing.

To my adversaries: I ask for FRCP 26 Clawback on the document which I will give you the number of after USDJ Nathan approves, so that I can replace it with a version that can not be hacked. I note that there are methods that I can't afford (costing a few hundred dollars) that may even be more effective in removing redactions, so as a computer expert, I'm sort of "freaked out," that I may have caused a breach, and violated the trust of the CI who said she did not even need to look at what I redacted since she trusted my expertise. Sigh.

Humbly and sincerely,

By: 

Peter Lindner
